This week is filled with fun and faith. Our preschool has programs for little ones starting at age three in our special Pre-School Area. Our elementary crews are filled with children going into first grade- going into 6th grade. Our youth, teens and adults have an important role to play as volunteers.

We have a bible story station, a craft station, a games station, snacks and lots of great music.

We could not be more excited to come together after 14 years at St. John as a Collaborative VBS! Welcome St. Ann's families!

Hometown Mission Friday Rain Delay Saturday Service Work Still On

Saturday, July 29th- Due to our Friday Rain Delay we are moving our yard clean-up.

We have one neighbor that needs assistance in her yard cleaning overgrown bushes and limbs and some raking. We would like to clear away the overgrown items from the porch area so that she can enjoy sitting out. We need a team of 5-8 individuals of both adults and youth. Please contact Nancy Smith at 508-838-8490 or nhenn71@hotmail.com to volunteer. We will set a meeting place and time in the morning and spend a couple of hours working in her yard.
